RICHMOND HILL BOARD OF TRADE

For over 40 years, the Richmond Hill Board of Trade has been part of the fabric of this community. Starting life as the Richmond Hill Chamber of Commerce, we have always been dedicated to serving the local business community, building a stronger Richmond Hill for all. Many of our community leaders have volunteered their time and expertise as Board members and we've been strengthened by their service. We are a service organization, providing education, advocacy, networking, economic benefits and support for the businesses that have grown up in Richmond Hill. Like all organizations, we've seen some changes along the way; we're always adapting to the evolving nature of our community and our society.

The Richmond Hill Board of Trade now offers a variety of online experiences along with our face-to-face events. Our social media presence is constantly growing and improving to better serve our community. We're also proud of our unique relationship with our fellow Boards of Trade and Chambers of Commerce throughout York Region. The York Region Business Alliance (www.YRBA.ca) is one of the strongest Chamber associations in the country.

A Message from the Chair of the Richmond Hill Board of Trade

As the Chair of the Board for the **Richmond Hill Board of Trade**, I am excited to share my thoughts on the relaunch of the **Explore Richmond Hill** magazine, which promises to invigorate both our local business landscape and tourism sector.

Our magazine has long been a beacon of inspiration, showcasing the remarkable spirit and diversity of our town. With this relaunch, we aim to take it to even greater heights. Explore Richmond Hill will serve as a platform to celebrate the success stories of our local businesses, highlighting their achievements and the quality services they provide to our community.

For local businesses, this magazine offers exposure and growth opportunities, allowing them to showcase their exceptional services and connect with our residents and visitors.

Simultaneously, our town's attractions make Richmond Hill a destination for tourists seeking unforgettable experiences. Richmond Hill is a community of dreamers and doers. With this relaunch, we aim to capture its spirit, enticing both businesses and tourists to explore our town's successes and services. Join us on this journey of discovery and economic growth in Richmond Hill.

Warm regards,

George Vasilache
Chair of the Board

The City of Richmond Hill started out as a small settlement located partially in the township of Vaughan and partially in the township of Markham. The City's development was closely linked with the development of Yonge Street, which was planned primarily as a military road by John Graves Simcoe, the first Lieutenant- Governor of the Province of Upper Canada, the City was officially incorporated on June 18, 1872. Richmond Hill developed because of its proximity to Toronto, as farmers came into City on their way to Toronto markets and people travelled up and down Yonge Street to and from communities further north. Early in the twentieth century, several large greenhouse operations were built in Richmond Hill, while rose growing turned the City into the "rose capital" of Canada.

In the 1920's, a local artist and carriage painter, William Ashford Wright, created a City crest that included elements of the Duke of Richmond's coat of arms and roses. Data from the recent census conducted by Statistics Canada indicated that Richmond Hill continues to be one of Canada's fastest growing municipalities. The City's population exceeded 200,000 in 2014. Over the years, Richmond Hill has remained a distinctive community, one of change yet with strong historical roots. Even through its current period of unprecedented growth, Richmond Hill has remained a community with a friendly, down-to earth flavour. That's why the City's un-official motto is "A little north, a little nicer."

A MESSAGE FROM THE MAYOR

On behalf of Mayor and Council, I am happy to extend our warm congratulations to the **Richmond Hill Board of Trade** and to offer greetings in this publication of **Explore Richmond Hill**.

Richmond Hill offers a wealth of opportunities waiting to be discovered and as the Mayor, I am excited to invite you to explore our remarkable city.

Supporting local businesses is a great way to contribute to our community's vitality. From unique boutiques, delicious restaurants, and local shopping experiences to diverse opportunities for entertainment, you'll find an array of exceptional products and services right here. Your support keeps our city thriving.

Our city's allure extends beyond commerce to natural beauty. Serene parks, lush green spaces, and tranquil trails are yours to enjoy. Whether hiking, biking, or simply relaxing in nature, Richmond Hill's wonders will rejuvenate your spirit.

I invite you to uncover the beauty of Richmond Hill through our local businesses and breathtaking landscapes. There's something here to captivate every heart. Thank you for being a part of our wonderful community. Together, let's continue making Richmond Hill a city we're proud to call home.

Warm regards,

Mayor David West

WELCOME TO RICHMOND HILL!

Welcome to Richmond Hill! We're a city of parks (nearly 170) and lakes, with a rapidly growing and changing population. You don't have to drive far to find the many kettle lakes that dot the landscape. Kettle lakes were formed thousands of years ago by glacier water getting caught in water-tight depressions in the land. They're kept topped up only by rainfall. You'll find many of these small jewels in the city, including Lake Wilcox, Bond Lake and Philips lake. Richmond Hill is also home to the Oak Ridges Moraine which is host to an amazing amount of biodiversity. With a population of about 200,000, we celebrate our growing cultural diversity. The latest Census data identifies English, Cantonese, Mandarin, Persian and Russian as the most commonly-spoken mother tongues. We hope you'll feel at home. Whether you're here for business, family or a vacation, you'll find wonderful restaurants, festivals, events, activities and shopping!

If you need more information than can be found in this guide, please feel free to call the Richmond Hill Board of Trade/Tourism Richmond Hill at **(905)-884-1961**.

Preparing Your Home for Fall and Winter: Essential Household Tips

As the leaves begin to fall and the chill of winter looms on the horizon, it's time to get your home ready for the colder months. With a little planning and effort, you can ensure a cozy and comfortable living space while safeguarding your home against the harsh elements. In this article, we'll walk you through a logical order of household tips to prepare for the fall and winter.

1. Clean Gutters

One of the first tasks on your checklist should be cleaning out your gutters. Leaves and debris can clog them, leading to water overflow and potential damage to your home's foundation. Ensure that water can flow freely to prevent ice dams and water damage during the winter months.

2. Seal Up Air Leaks

Inspect your home for air leaks around windows and doors. Seal gaps with weatherstripping or caulking to keep warm air in and cold air out. This will not only make your home cozier but also reduce heating costs.

3. Inspect Roof

Before winter storms arrive, check your roof for damaged or missing shingles. Repairing these issues now can prevent leaks and costly repairs later on. Consider hiring a professional if needed.

4. Protect Faucets from Freezing Temperatures

Don't forget about outdoor faucets. Disconnect hoses and install faucet covers to prevent freezing and potential pipe damage. These simple measures can save you from costly plumbing repairs.

5. Furnace Filter

Replace your furnace filter to ensure efficient heating and improve indoor air quality. A clean filter helps your heating system run smoothly, saving energy and money.

6. Fertilize and Seed Lawn to Prepare for Winter

Give your lawn some TLC before winter sets in. Fertilize and overseed to promote healthy grass growth next spring. A lush lawn now will make your home look more inviting year-round.

7. Test Winter Equipment

Dust off your winter equipment like snow blowers and generators. Ensure they are in good working order before you need them in an emergency. Check for fuel, oil, and proper functionality.

8. Change Batteries

As the days get shorter and darker, it's important to have reliable lighting. Change the batteries in smoke detectors and carbon monoxide detectors to keep your family safe during the winter months.

Preparing your home for the fall and winter is essential to ensure your family's safety and comfort. By following these logical steps, from cleaning gutters to changing batteries, you'll be well-prepared to face the challenges of the colder seasons. Don't wait until the first snowfall—start now and enjoy a warm and worry-free home all winter long.
